

BRINGING THE Light BEHIND THE DOORS OF DARKNESS

The people which sat in darkness saw great light; and to them which sat in the region and shadow of death light is sprung up.

May 1, 2014 Update

Friends,

Greetings to you in the most gracious and glorious name of J's's! Last week I had the opportunity to spend a few days with our team in Cambodia. I enjoyed the fellowship, observing the m'n'stry there [quite miraculous to say the least], and above all had my heart crushed by the extreme poverty of the Cambodian people. Both the physical and sp'r't'l poverty is heartbreaking!

Please pr'y for the impoverished Cambodian people to respond to the G'sp'l of J's's Chr't!

I enjoyed pr'ching in the ch'p'l service where the different m'ss'n'ry children and teens along with some of the m'ss'n'r's [Benefield, Ruppell, Kounaro Keo, Dave Board, Touch Keo] and a quite a few of the nationals were present. What a joy to see some of their faithful people, who I met almost four years ago on a visit there. I really enjoyed the trip to Cambodia. What a needy country! I am looking forward to spending a few weeks with them, as well as a group from our sending church, along with m'ss'n'r's Steven Benefield and Chad Phillips in June.

Please pr'y that G'd will continue to use the faithful m'ss'n'r's who are presently serving in the country of Cambodia and that G'd will use my trip there for His gl'ry!

This week, and for the next three weeks, I will be t'ch'ng during the evenings for the L' and F' c'ngr'g't'ns. The topics are b'bl'c'l leadership and b'bl'c'l stewardship. We are trying to work out the logistics of having a one or two-day y'th conference for the L" teens at the end of the month prior to my leaving the country. They have never done anything like this (other than the recent three-day conference we mentioned in our last update) in this country!

Please pr'y that G'd will use these different sessions to strengthen these faithful s'rv'nts of Chr't in this country!

For HIS Gl'ry in the H'rv'st,
