

# BRINGING THE *Light* BEHIND THE DOORS OF DARKNESS

The people which sat in darkness saw great light; and to them which sat in the region and shadow of death light is sprung up.

MATTHEW 4:16

November – December, 2016

Dear Praying Friends,

Greetings in Christ! My wife and I are so very thankful for your faithful prayers and financial support. We pray that your Thanksgiving, Christmas, and New Year were blessed beyond measure.

The months of November and December were busy and blessed months. In fact, 2016 was a busy and blessed year. Over the past two months, I had the opportunity to preach in 17 different churches, as well as report to another one of our supporting churches.

I also had the opportunity and privilege to preach for our college, high school, and grade school chapels at Pacific Baptist Church while in the area. My daughter Joy, our youngest, was married at the end of November. And, of course, we had the opportunity to spend some time with family for Thanksgiving and Christmas!

Another tremendous blessing over the past two months was the opportunity to meet with various men and women, at different times, who are seriously praying about serving on the mission field. In addition to this, I had a special meeting with eight young people who are considering serving in China.

We have now been in the States for three months. It seems like an eternity though. Definitely looking forward to getting back on the field, that's for sure! It has been a real blessing to hear reports from our teams in Laos, Thailand, and Cambodia and to see what God continues to do for His glory.

We do covet your prayers for a few meetings we have next month. In addition to being in a few new churches, I will be preaching/teaching in two different Bible Colleges and a Boy's and Girl's Home. We are praying that God will use these meetings to inspire young men and women to give their lives to Christ and the cause of Christ in the 10/40 Window. Please pray with us about this matter if you would!

Again, we thank you for your prayers and your support. We couldn't do what God has led us to do if you weren't "holding the ropes" back home.

For HIS Glory in the Nations,

Johnny and Denise Esposito
